About

Apple Arcade is a video game subscription service offered by Apple. It is available through a dedicated tab of the App Store on devices running iOS 13, VisionOS, tvOS 13, iPadOS 13, and macOS Catalina or later.[1][2] The service launched on September 19, 2019.[3]

It offers video games that exclude practices such as in-app purchases and advertisements. Most games on the service are indie games or previously existing mobile games.
