Tencent Yuewen

- About

About

Yuewen (HKEX: 0772 China Literature Limited) is a culture and entertainment group that was founded in March 2015. It focuses on creating and developing intellectual property (IP) derived from online literature.

Yuewen has a diverse portfolio of well-known brands, such as QQ Reading, Qidian, and New Classics Media. It serves as a platform for tens of millions of creators and a rich reserve of literary works across 200 genres, catering to hundreds of millions of users. Yuewen is renowned for its celebrated IP portfolio, which includes popular titles like Joy of Life, My Heroic Husband, Candle in the Tomb, The King's Avatar, Soul Land, and Nirvana in Fire. It has successfully expanded its reach across various media formats, including audiobooks, animation, comics, films, drama series, games, and offline merchandise.
